

Job Title: Detailer
Posted by: HGS Limited
Location: Windsor, ON

HGS Limited is a consulting engineering firm offering structural and precast, prestressed concrete engineering and detailing services in Canada and the United States. We are looking to fill full-time, permanent position(s) of CAD Detailer. University and college students that will be completing their studies in April 2019 are encouraged to apply.

Responsibilities:

- Produce detailed drawings in AutoCAD, REVIT and/or TEKLA that meet or exceed the clients' needs and expectations.
- Have knowledge of standard detailing practices related to structural design & construction.
- The ideal candidate should possess exceptional communication and interpersonal skills complimented by a technical drafting/design engineering background.
- Must be able to read and interpret structural and architectural drawings, specifications, and design requirements related to structural materials.

Requirements/Qualifications:

- Diploma in Civil Engineering, Construction or Architectural Technology from an accredited technical college/university.
- Experience with AutoCAD and Microsoft Office products (Windows, Excel and Word). Revit and Tekla experience is an asset.
- Experience in drafting various building drawings (commercial, industrial, bridges).
- Structural detailing experience is an asset.
- Precast, prestressed concrete detailing experience is a major asset.
- Ability to work independently and collaborate effectively with others.
- Thrive in a fast-paced environment.
- Display excellent problem solving, time management and communication skills.
- Highly organized, flexible and have the ability to work necessary hours in a fast-paced, deadline driven environment.
- Must be self-sufficient, take initiative and have strong attention to detail.
- Contribute to a positive and collaborative office atmosphere through shared respect and responsibility.
- Ability to read and interpret construction documents: drawings, specifications, etc.
- Must be legally entitled to work in Canada.
- Must have reliable transportation.

What we offer:

- Competitive compensation package.
- Benefits package.
- Potential of career advancement in a growing organization.

If you are interested in this job opportunity, please send your resume and cover letter to info@hgslimited.com before March 8, 2019. We thank all candidates for their interest in this position; however only those selected for an interview will be contacted.
