

## **Intermediate / Senior Structural Engineers**

Kassian Dyck and Associates is an innovative and energetic team of consulting Structural Engineers and Technologists in Calgary, Alberta. We take pride in designing precast/prestressed concrete structures across North America.

Currently, Kassian Dyck is hiring knowledgeable structural engineers with experience in precast/prestressed concrete design to join our engineering team. This is an excellent opportunity for engineers to pursue their career development and for those interested in a pathway to company ownership. If you're ready to take the next step in your career, we want to hear from you!

Your responsibilities will include but are not limited to:

- structural design of all types of precast concrete structures, including buildings, industrial structures, stadiums, parking garages and specialty structural engineering assignments
- liaising and coordinating with clients as well as other project team members
- independently performing engineering calculations
- reviewing and checking engineering calculations prepared by others
- reviewing and checking construction drawings
- mentoring and providing guidance to junior engineers
- senior engineer responsibilities include managing projects/processes

The successful candidate will possess the following:

- Bachelor's degree in Civil/Structural Engineering (M.Sc. is an asset)
- Fully licensed P.Eng. in Canada is mandatory (Struct.Eng. and P.E. is an asset)

- Exceptional organizational and English communication skills (verbal and written)
- A minimum 6 years of experience in structural design of buildings and structures in North America.
- Strong technical knowledge and fully familiar with Canadian design codes and standards (US design code experience is an asset)
- Familiarity with present-day structural design and analysis software
- Ability to manage multiple priorities

This is an **in-office position** at our Calgary location and is not a work-from-home position.

Salary is in accordance with qualifications and experience, along with our firm's health care plan and RRSP package.

Please submit resume to [resumes@kdassociates.com](mailto:resumes@kdassociates.com). Please, no phone calls or walk-ins. *We are not currently accepting candidates from recruitment agencies.*
