

CONCRETE LABOURER
Haywood Concrete Products Ltd.
Box 34, Haywood, MB, Canada R0G 0W0

www.haywoodconcrete.com

Summary

Join our team at Haywood Concrete Products, a leading provider of top tier precast concrete products. Concrete experience is not required - all employees can train and learn on the job with plenty of room for development opportunities.

Duties & Responsibilities

- Preparing concrete molds and forms by prepping, cleaning, aligning and adding reinforcements
- Mixing concrete to combine the correct proportions of cement, water, sand and aggregate to create specific types of concrete
- Aiding in transporting concrete into the forms (crane assisted, wheelbarrows, chute, pump, etc.)
- Using tools like trowels, screeds and vibrators to level and spread concrete before and during its curing
- Smoothing and/or adding texture to the concrete finishes
- Demolding the cured products, assisting with transporting/storing them, and cleaning the molds for next usage
- Assist with preparing, setting up, dismantling and tidying work areas to ensure work areas are always clean and hazard free

Why Work With Us?

- Competitive wages with the ability to grow with gained experience
- Organized shuttle-share rides from Portage la Prairie and Winnipeg to and from our yard / office site in Haywood, MB
- COR certified, safe and respectful work environment and well maintained equipment
- Canada Life benefits program including health and dental
- RRSP matching program
