

Power Precast is a leading precast company located in Ottawa that combines dedicated people, proven products with a local focus on exceptional customer service. We offer rewarding career opportunities, and we are continually on the search for individuals who are interested in joining our team.

We offer a comprehensive compensation package which includes a competitive wage, group benefits, Employee Assistance Plan, Group RRSP match program, educational assistance, internal succession planning and more.

We are currently looking for:

Skilled Labourers – Rebar for day shift

Are you dependable and know the importance of daily attendance?

Do you have your own transportation or a reliable way to travel to work?

Do you have experience with hand tools and working with Rebar?

Do you have prior concrete or construction experience?

Are you legally permitted to work in Canada?

Additional assets would be if you could read blueprints, have experience with equipment such as forklifts or overhead cranes. The company is willing to train the right individuals in these areas if they require it.

If you are interested, apply today by email at hr@powerprecast.com.

Power Precast is committed to accommodating people with disabilities as part of the hiring process. If you have specific requirements, please advise Human Resources during the recruitment process. Power Precast is an Equal Opportunity Employer and does not discriminate in its employment decisions on the basis of any protected category/group.

Please provide us with your up-to-date resume and include which position you are applying to in the subject line.

Thank you for your interest in Power Precast.
